

- O. Winter Protection: The bid shall EXCLUDE temporary heat and related temporary partitions except as indicated in Section 2.5 C2 above.
- P. Shoring: The bid shall EXCLUDE shoring. If required it will be authorized on a T&M basis.
- Q. Toilet Facilities: The Contractor shall provide temporary portable toilets as required at locations approved by the garage operator. Tradespersons are not permitted to use existing facilities.
- R. Document Coordination: Should a discrepancy exist between the requirements outlined within the Bid Documents or between the Bid Documents and the plans or specifications, the bid shall include the more stringent requirement.
- S. Event Planning: The Contractor will be responsible for coordinating the anticipated work schedule with Desman, CRDA and LAZ Parking to accommodate heavy traffic on event days.
- T. Hours of Operation: The Contractor shall coordinate its hours of operation with the Garage Operator. The Contractor will not begin noisy work (i.e. jackhammering) at the north end of the Convention Center Garage until after 8:00 AM.

**PART 6 – BID PROCEDURES AND SUBMISSION REQUIREMENTS**

Contract Award	Wed	April 11, 2018	
Start Construction	Mon	April 16, 2018	

**6.2 Pre Bid Conference**

A mandatory pre-bid meeting will be held at the Connecticut Convention Center loading dock at **1:00 PM on March 13, 2018**. The vehicle ramp to the Loading Dock is located at the south end of the Convention Center and can be accessed from Sheldon St. south of the Whitehead Highway to Commerce St. heading north over the Whitehead. The ramp to the loading dock is to the right (south) of the garage entrance.

**6.3 Bidder Question Procedure**

All technical and bid questions must be in writing and emailed to Erica Levis at the following email address: [elevis@crdact.net](mailto:elevis@crdact.net). No questions shall be accepted after **March 20, 2018 at 3:00 PM**. Answers will be provided via addenda issued to all registered bidders and posted on the State Contracting Portal. Bidders may visit the site on their own time; however the bidder must notify CRDA at least 48 hours in advance of the scheduled site visit for safety and security purposes.
