Addendum #3

**Development Planning Services for
Connecticut Regional Agriculture Market**

This addendum dated December 9, 2020 forms a part of the Contract Documents and modifies the original RFP. Please include this addendum in your RFP submission.

Responses to Questions Posed by Bidders as of December 9, 2020:

1) Can CRDA provide any guidance regarding the budget for this project?

It is not possible at this point to estimate a budget for the overall development. For this planning phase, CRDA expects to select a qualified firm/team via this RFP and then work cooperatively to develop a scope of services and planning budget.

2) Given their work on the 2018 analysis, will Goman & York be allowed to bid on this project?

No.
