**Addendum 2**

**Silver Lane Sidewalk and Pedestrian Bridge Project**

CRDA Project No. 21-021

---

This addendum dated July 18, 2022 forms a part of the Contract Documents and modifies the original bidding documents. Please acknowledge receipt of this Addendum when you submit your bid. Failure to do so may subject the submitter to disqualification.

- 1. Can you please share the budget for the project? How does this relate to the selected contractor's good faith efforts being made to meet the small- and minority-owned business set aside goals for the project?**

CRDA does not typically share our estimated budgets for projects. Bidders should note that the State hiring goals represent a percentage of their bid total, not of the project budget. As noted in the Invitation to Bid, these goals are 25% for small businesses and 6.25% for minority-owned businesses.
